Statement by Hong Kong, China

Item 14: Appellate Body Appointments (WT/DSB/W/609/REV.18)

- Hong Kong, China supports the statement delivered by Mexico on behalf of the co-sponsors. We would like to reiterate our concerns with the lack of progress of resolving the Appellate Body impasse. The selection process of Appellate Body members should commence without any delay. We urge Members to continue with the efforts and constructive engagement until a solution is found.
- Thank you.
